

PRESS RELEASE

The Arntz Optibelt Group earns recognition as a John Deere “Partner-level Supplier”

Höxter, May 16 2023. Optibelt has earned recognition as a Partner-level supplier for 2022 in the John Deere Achieving Excellence Program. The Partner-level status is Deere & Company’s highest supplier rating.

The Höxter, Germany based company was selected for the honor in recognition of its dedication to providing products and service of outstanding quality as well as its commitment to continuous improvement. Company employees accepted the recognition during formal ceremonies held on April 11 in Moline, Illinois.

Optibelt is a supplier of high-performance power transmission belts to John Deere’s operations in Germany, Brazil, China and the United States.

Suppliers who participate in the Achieving Excellence program are evaluated annually in several key performance categories, including quality, delivery, process alignment, value creation and relationship. John Deere Supply Management created the program in 1991 to provide a supplier evaluation and feedback process that promotes continuous improvement.

About Optibelt

The Arntz Optibelt Group is one of the leading global manufacturers of high-performance drive belts and develops sophisticated drive solutions for use in mechanical engineering, automotive industry, agricultural machinery, lawn and garden, household appliances and the medical sector. The family-run company has eight production sites in six countries and maintains its own logistics and sales centers in Europe, North and South America, as well as in Southeast Asia, Australia and New Zealand. Worldwide, more than 2,400 employees provide the best possible service, excellent customer proximity and the highest quality and safety standards.
