

SUCCESS STORY

ALPHA LINEAR

INDUSTRY

Kaolin Mining

APPLICATION

Mud Treatment

COMPANY PROFILE

Kaolin Mining

PROBLEM

The timing belt in the drive was only lasting 6 months. Shock loading and debris in the drive were damaging the belts and causing breakage.

SOLUTION

Replaced drive belt with optibelt ALPHA LINEAR 8M50 ST + PAZ / 30 m

RESULTS

The drive was replaced with Optibelt Alpha Linear timing belts with PAZ fabric to protect the teeth of the belt. With this change, the belts were able to last over 1 year. The improvement in the belt quality lead to a costs savings in 41% per drive.
